1. Financial review:

AP to progress request for the second £5k of the total £15k allocated by the Vale. Update to be provided at next volunteers meeting.

2. Website update:

All elements of the NHPNP website have been updated by DK including the revised Project Plan and Vision / Objectives.

3. SEA and Basic Condition Statement:

AP to progress SEA and Basic Condition Statement. Update to be provided at next volunteers meeting.

4. NHPNP consultation and publicity:

Next public feedback event on the complete draft N Plan planned for late September / early October 2017, date and venue TBC. A further 6-week extensive pre-submission consultation period is required before the Independent Examination, details to be considered on a later date. Possible dates for the public event to be circulated to all volunteers for discussion at the next meeting.

Article in the September Sprout about progress to date and the above public feedback event. Also updates to be placed on the NHPNP website, the Community website and the NHPC website when the date of the public event has been decided on.

5. Progress on draft policies / overall Plan:

Suggested wordings for revised draft policies provided by RL. DK to enquire whether additional suggestions are going to be provided by RL for any other Working Groups, in particular for Economy and Employment.

Hydrogeological report being produced by GWP Consultants in support of a Utilities policy, following on from a very informative site visit attended by several N Plan volunteers.

6. Date of next meeting:

Meetings for all volunteers at 7.30pm on 13th July.
